Diaper Bank of the Ozarks	Anyone who qualifies for the diaper bank and is interested in trying cloth.	Simple cloth diaper "set up" kit: Covers (snaps or Velcro), flats, prefolds.	Loan period: 3 months	Distribute to 4 cloth diapering agencies. DB is a Host Site of Cotton Babies' Share the Love program and provides direct service.	How-to use, laundering (including manual wash), support, and follow up.	Diapers accepted. Some donors wanting to support cloth provide purchasing funds.	Education, support to cloth users.	10 starter kits (cost roughly \$50) can serve up to 40 families a year. Suggestions for getting started: - Contact Cotton Babies or The Rebecca Foundation. - See if a partner agency would like to be a cloth diaper agency. - Use social media to find an education volunteer (breastfeeding advocate, cloth diapering mom). - Once you're ready, make a simple business card and insert it into your packages of disposables, letting families
Diaper Bank of NC Greater Triad	Families w/ access to (personal) laundry facilities & childcare arrangements that are willing to accept cloth diapers.	Kit: 3-5 covers, 12-18 prefolds, 1 wetbag, 1 cloth diaper laundry detergent	Loan until the child no longer needs them. The family must attend an education session.	Partner agencies and direct service	Educational training on using and laundering (must complete before receiving diapers). Follow-up 1 week in to provide support & answer questions. Then calls monthly for next 3 months until family is comfortable using cloth.	Donors can specify "cloth diapers" in the memo of their checks. Can purchase a kit through Amazon Wishlist -Econobum Full Kit has 3 one-size covers & 12 prefolds (for \$58).		When the child is potty trained, diapers are returned. Diapers are sanitized before distribution and upon return using 1/2 c bleach + CD detergent
Sacramento Food Bank	Expectant parents, parents and guardians of children 0-5 years of age living in the greater Sacramento area in the Parent Education program.	Basic Cloth Diaper kit, can include new or gently used cloth diaper supplies: 1-2 covers (Snaps, Plastic or Velcro), 12-24 pre folds, 1 laundry detergent, 1 snappy, 1-2 children's books, 1-2 toys/stuffed animals, 1 blanket.Basic kit, for seasoned mothers transitioning from disposable to cloth. Deluxe version, for first time mothers.	Families are encouraged to re-donate them back to our program in order to help another family.	We accept any referrals from outside agencies as long as they have a child of qualifying age.	Classes educating parents on the benefits of using cloth, how to use and maintain a cloth diaper system.	Donors can use given guidelines to create kits. Cash donations to the program.	Volunteers help teach the Cloth Diaper classes. A CDP Volunteer Packet includes free sewing patterns and other resources.	Cost of each kit \$15-20
PDX Diaper Bank	Low income families	Each family receives a "starter kit" that contains a variety cloth diapering supplies (new). Families who attend our workshops (vs.the ones we guest teach at our partner agencies), receives additional gently used cloth diapering supplies.	Families are given the supplies, however, encouraged to re-donate them back to PDX Diaper Bank later on in order to help another family.	All of our partner agencies are able to request cloth diapering supplies if needed. They are also welcome to invite PDX Diaper Bank to teach "cloth diapering on a budget" to their clients on-site.	Classes on "cloth diapering on a budget"	We accept all donations of cloth diapering supplies, new and used.	Our Volunteer Community Education Coordinator, Myranda, is the main teacher/facilitator of the workshops.	Our local diaper service, Tidee Didee, generously launders all of our used donated cloth diapers so we can ensure that we're providing families with truly clean products.
Giving Diapers Giving Hope	Families who qualify include those on WIC, SNAP, or other public assistance programs. We also serve families who are considered near or below the national poverty level based on income statements and their expenses plus family size and take into account special circumstances as proven. Foster families, expecting families, and families with babies in diapers all qualify.	16 changes worth of diapers for 1 child, 20 changes worth for 2 children, and 24 for 3 in diapers. The styles and types vary based on donations and we try and mix in new diapers with used so no family receives all used or all new diapers. Wet bags and other accessories such as wipes are included based on supply.	Each family will pay the shipping for the items to them and back to us because we are a loan program. Plans to reduce the shipping fee (to \$20) are in the works but we plan to always keep a small fee. They can use them as long as they need them but we encourage families to build their own supply and send the diapers back when they have done so or when their baby is out of diapers. We supply a shipping label for them to use	We work directly with families who apply through our website and service all 50 states and APO addresses.	We are able to offer support via email as requested.	We accept new and gently used diapers. We do not accept diapers in need of repair at this time and encourage donors only to send diapers they would want to receive themselves.	All associates are volunteers. Our extended network include graphic designers and web designers.	Shipping was recently reduced from \$35 to \$20, and our kits are shipped through GroVia diapers.

Salvation Army of Wilmington, NC	Families enrolled in North Carolina Assistance Programs, who live in our 5 County Area of Bladen, Brunswick, Columbus, New Hanover and Pender Counties.	Diaper Kits include: 3 covers, 24 diapers, wet bag & samples of diaper detergents. Potty Training Kits include: 1 training pants cover, 3 snap inserts, wet bag & samples of diaper detergent.	Diapers are loaned until no longer needed. As a child grows out of one set, they return it in exchange for another. For example, when they have outgrown the diaper set, they can exchange it for a potty training set. Or if they outgrow a size 2 potty training set, they can exchange it for a size 3 potty training set. When they no longer need the set, they return it.	Requests are made by the social workers from the Partner Agencies.	How to information is included. We provide question and answer support by email.	We accept cash and donations of diapers and covers.	Packaging and Instruction are provided by volunteers.	Our local diaper service, Green Baby Diapers, launders and sterilizes our kits. Our Diaper kits cost \$50 and our Potty Training kits cost \$25.
Cover Your Bum	Low/middle income families in the Springfield/Greene County and surrounding areas. Mostly families qualify for WIC, Medicaid or Food Stamps.	Cotton prefolds, waterproof covers, pocket diapers with microfiber inserts, totaling 24 diapers for one child, 36 for twins. We also loan 2 wet bags.	We loan to families for 1-3 months (can be extended on a case by case situation)	We work with the RDA (Real Diaper Association) circle group that provides our cloth diaper education classes. We work directly with our clients mostly via emails. All diapers are picked up from the local food bank, Crosslines.	All clients attend a free class for the full loan. If they need a quick loan (one month), we give cotton diapers and a one-on-one class with a volunteer/graduate. We offer phone classes, online, skype or other ways to get education.	We accept any all cloth diaper donations in any condition.	Anyone can help with our program. Most of our volunteers were recipients of our loan program. Most are involved with cloth diaper advocacy in the area.	Our program is designed to help families try out cloth diapering without having to do the initial start up costs. Families use our diapers and start building up their own stash. Once they have enough diapers for their children (usually 20+ diapers), they return our diapers and are now independent of diaper assistance need for this and future babies. We are currently helping families with their newborn stash until the baby is big enough to fit in the one sized or larger diapers.
The Rebecca Foundation	Families on government assistance, foster families and military families stationed domestically or overseas.	10-15 cloth diaper changes depending on the age of the child and types of diapers are given based on washing facilities available to the families	We will loan cloth diapers to a families for up to 1 year. 6 month extensions maybe given to a family after one year with a new application completed.	We work directly with other agencies such as WIC, Foster agency, and more	All families are required to complete a cloth diaper 101 class and complete a survey upon completion. We also provide continued support with the families through social media groups to answer any questions, concerns, washing or fit issues.	Donations are provided by individuals, retail business, and manufactures.	Our volunteers teach classes, do repairs, sanitize the returned cloth diapers, inventory, store and prep cloth diapers for deliever to the loan families. We also have volunteers for web design, PR, blogging, grant writing, graphic design and more	We do mail packages to families across the country at no cost to them however families are welcome to make a donation towards if they are able. Our average cost to ship a package is \$7 but with more chapters and locations partnering with TRFCDC we are able to cut this cost down on the over all cost.
