

Diaper Drive Checklist

Follow and mark this 10 point checklist to ensure you have a successful diaper drive.
#DiaperOn!

Partner with an organization

First visit nationaldiaperbanknetwork.org to find an NDBN member in your area. If there isn't one, reach out to agencies such as women's shelters, food pantries, publicly funded child care centers, or health clinics.

Recruit volunteers

Ask friends, family, colleagues, or neighbors to help out!

Set your goals

How many donations would you like to raise? Ask the organization you're donating to what sizes they need most. Develop a way to track your progress. (Use our goal chart!)

Spread the word

Announce your diaper drive via social media, emails, local news outlets, and notices throughout your community. Distribute the diaper need fact sheets in this toolkit. Be active before AND during the drive!

Collect and deliver

Rally the volunteers and deliver your donated diapers to your partner organization. Don't forget to take photos-you'll need them later!

Choose your location(s)

Pick one or more locations that are centrally located and willing to help, like a local business, bank, library, etc. Be sure to label your collection bin (flyer included in this toolkit.)

Select a start and end date

Typically, diaper drives run for one week to a month.

Decide on your theme

Whether it's a Stuff a Bus, a themed party, or a simple diaper drive in your office, choose what works for you!

Set up transportation

Depending on how many diapers are donated, consider what type of vehicle you will need to transport them.

Share your results!

Post pictures on social media and let everyone know (including NDBN) your results! Don't forget to thank donors and volunteers too!
