About the National Diaper Bank Network: The National Diaper Bank Network (NDBN) leads a nationwide movement dedicated to helping individuals, children and families access the basic necessities they require to thrive and reach their full potential...including clean, dry diapers, period supplies and other basic needs. Launched in 2011 with the support of founding sponsor Huggies®, NDBN is dedicated to creating awareness, providing assistance and building community to #EndDiaperNeed in the US. Its active membership includes more than 300 basic needs banks serving local communities in all 50 US states, the District of Columbia and Puerto Rico.
